Dear Colleague,

It is with great pleasure that we invite you to **COINS CON '24**, an International conference focused on the latest advancements in breast cancer care. The theme of this year's conference, **"Elevating Expertise: Cutting-Edge Updates in Breast Cancer Care"**, will highlight recent breakthroughs and updates in surgical, medical, and radiation oncology.

COINS CON '24 brings together a distinguished panel of international faculty and leading experts in the field, providing a unique platform for insightful discussions and knowledge sharing. We encourage healthcare professionals, researchers, and oncology specialists to join us in this educational endeavor, where the focus will be on practical, evidence-based approaches that aim to improve patient outcomes.

- **First of its kind workshop on Oncoplastic Reconstructive Breast Surgery in Kerala.**
- **Focus on Aesthetic Cancer Cure and Survivorship**
- **Personalized Therapy Decision in Oncology : A Multidisciplinary Team Approach**

We look forward to meet you at COINS CON '24 for an enriching and enlightening experience.

Sincerely,

Organizing Committee
COINS CON '24

Scientific Programme
