Dear Colleague,

It is with great pleasure that we invite you to COINSCON 25, a premier conference focused on the latest advancements in thoracic oncology.

The theme of this year's conference, "OncoNext : Advanced Therapeutics in Lung Cancer", will highlight recent breakthroughs and updates in precision medicine, targeted therapies, and immunotherapy.

COINSCON 25 brings together a distinguished panel of subject experts and thought leaders in the field, providing a unique platform for insightful discussions and knowledge sharing.

We encourage healthcare professionals, researchers, and oncology specialists to join us in this educational endeavor, where the focus will be on practical, evidence-based approaches that aim to improve patient outcomes.

We look forward to meeting you at COINSCON 25 for an enriching and enlightening experience.

Sincerely,

Organizing Committee
